Double Sessions End For Belmont Schools

Double sessions are a thing of the past in the Belmont School Dist. this week.

Crowded conditions which forced nine classes to "double up" have been eliminated with the completion last week of the six-classroom addition at Louis Barrett School.

For first grade classes, taught by Mrs. Genevieve Roarty, Mrs. Mae Dempsey, Miss Annette Girard and Mrs. Edna Lyon, have been switched to a one-a-day basis.

Second graders tutored by Miss Lillie Palmer, Mrs. Irene Bellati and Mrs. Ann Wright have also been cut down from double sessions.

Other classes affected by the new addition are Mrs. Dorothy Newton's sixth grade class and Mrs. Susan O'Brien's seventh grade.

Several other classes originally held at the Belmont Central School have been moved to the Barrett campus. They include Miss Ann Kernohan's third grade, Miss Barbara Dunn's third grade, an da combined fourth and fifth grade under direction of Mrs. Verna DeWitt.

Completing the new setup, the Central School kindergarten was switched to morning session instead of the afternoon as formerly.

$225,000 Awarded Property Owners

A superior court jury this week awarded a total of $225,000 to the owners of property along Junipero Serra Blvd. at the North county line.

The award, the largest in the history of San Mateo County condemnation records, was made to Mr. and Mrs. Irving M. Levin of San Anselmo, and Mr. and Mrs. Robert Levin of Palm Springs, and the Ocean Shore Railroad Co.

The state of California filed the condemnation action to get about 5.6 acres of the land for a cloverleaf for the new proposed Junipero Serra Freeway, which would eliminate the intersections at Alemany Blvd.

The Levins are owners of the San Francisco Theaters Corp. and had planed a large scale commercial development, which would have been called Community Junipero Serra, on their four and a half acres, which have a 1000 foot frontage on Junipero Serra Blvd.

They were awarded $195,000 for their property, and the Ocean Shore Railroad Co. was granted $30,000 for its 1.1 acres.

The jury, in the court of Superior Judge Edmund Scott, returned its verdict after deliberating four hours at the end of a two-week trial.

North Redwood Sets Member Drive

Personal letters have been sent to all property owners and renters in the area bounded by the north side of Whipple Ave., Alameda de las Pulgas, Edgewood Rd., Finger Ave. and El Camino Real, inviting them to join North Redwood Neighbors Inc.

"Our membership committee has done excellent work," Pres. Howard Magee said, "and many of our members have taken it upon themselves to contact their neighbors and friends. However, due to the large area to be covered, and the probability of finding prospective members at home, has made us decide to launch a mail campaign. In so doing, we used the last available directory as a guide, and we realize that it is obsolete in part. Any resident of the area in question who does not receive an application blank this week is requested to contact me at EMerson 8-2808 or EMerson 6-6156 at night."

Although only in existence for six active months, North Redwood Neighbors Inc. has sought betterment of conditions throughout Redwood City as a whole as well as its own particular area, Magee said.

Chief of Police Stanley D. Wood and Sgt. Cole Stafford will meet with the board or directors and the traffic committee, headed by James J. Smith, on Wednesday, Nov. 16, to discuss traffic problems and possible solutions in the North Redwood City area.

SC Police Settle Alligator Puzzle

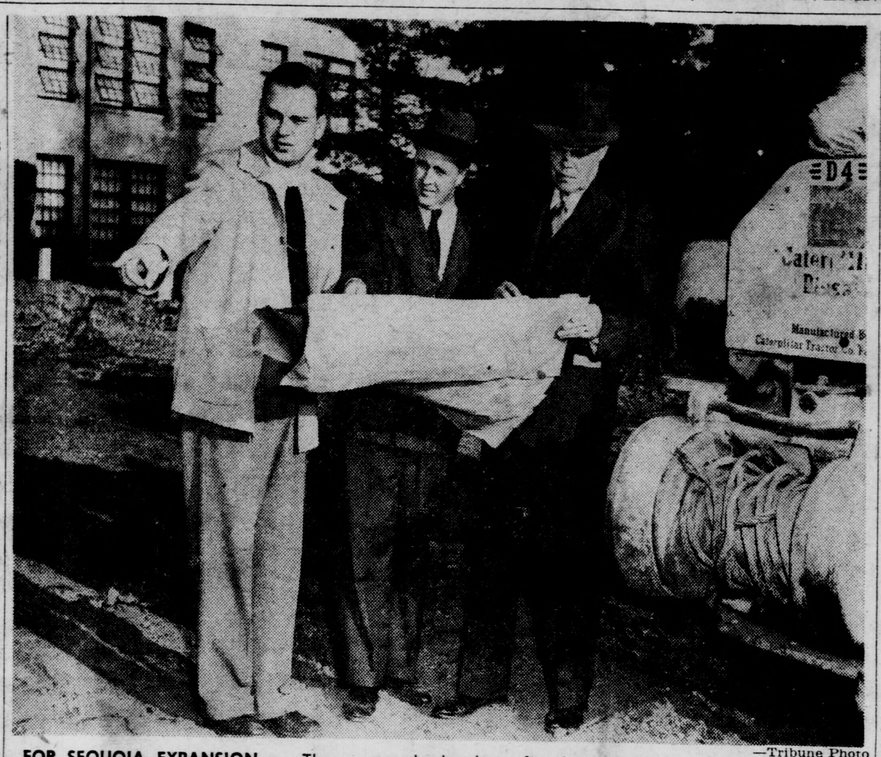
The Case of the Missing Alligators was officially closed at San Carlos Police Dept. headquarters this week.

The mysterious disappearance of nine 7-inch 'gators was cleared up after they were reported missing from the Tropic Waters shop by Melvin Hoss, proprietor, last week.

Hoss said only one of his prize specimens, brought to San Carlos from Louisiana, was in custody. Two dozen baby turtles were also in on the walkout.

Then Officer Frank Lucero visited McKinley School, where several 13-year-olds had been exhibiting the young 'gators.

After confessing to the thefts, the boy returned all turtles, and all but two of the alligators, said Lucero in his report.



—Tribune Photo

FOR SEQUOIA EXPANSION — These men check plans for Sequoia High School's commercial wing on which work was under way this week. The wing is designed to relieve the pressure of overcrowding in the main building by removing some of the commerce-type classes. Looking over the plans are (l. to r.): Trustees Keith Cole, Architect Edward J. Maher, and Trustee Clifton Woodhams. The $104,000 project, part of a $1,500,000 bond issue approved by the voters in 1948, is expected to be completed by next spring. This is the beginning of a building program in excess of $2,000,000, which includes construction of new schools in the Menlo Park-Atherton and the San Carlos-Belmont areas.

Plaque Dedicated to Memory Of Redwood City's War Dead

Under the Stars and Stripes flying from Redwood City's city hall flagpole today rests a bronze plaque. It is set in a concrete pedestal which in turn is embedded in raised ground in the civic center lawn. On the plaque are the names of 43 from Redwood City who lost their lives in World War II.

The plaque was dedicated at 2 p.m. Sunday. It was presented by Cpl. James Lindsay Wilson Post 2310, Veterans of Foreign Wars, as many of the gold star mothers, in the audience of some 250 persons, wept.

A color guard stood rigid under the cold November sky as the City of Redwood City accepted custody of the memorial. The post colors dipped in silent salute as the Rev. Peter Boes delivered the benediction. He prayed that the world may return to the ways of peace.

P. C. Kirk, commander of Post 2310, opened the ceremonies by introducing Joe Farr as chairman of the plaque committee. Farr was master of ceremonies. He called upon Rabbi Abraham Haselkorn for the invocation.

"The whole earth is their sepulcher," said the rabbi, referring to those who gave their lives in the second world conflict.

Mrs. Beth Winters of Redwood City, president of the Peninsula Chapter, American Gold Star Mothers, thanked the VFW post for the plaque. Then Mrs. Annie Tomasack of Redwood City, senior gold star mother present, cut the ribbon which held in place the cloth cover over the memorial, and it was unveiled.

Andrew Stewart of Post 2310 made the formal presentation to the city with the solemn charge that it be given perpetual care and watchfulness. He pointed out that the memorial was a symbol of a greater monument, one erected in the minds of all of our citizens in memory and gratitude to the city's World War II dead.

City Councilman Floyd D. Granger, acting on behalf of Mayor William Werder, accepted the memorial on behalf of the city.

Members of the post's memorial plaque committee, in addition to Farr, were Col. Henry W. Edmonds, Mayor Werder, Maj. Joseph Bye, Alan Claudino, Cliff Dernier and Commander Kirk.

Color bearers were Cliff Dernier and Owen Vest. Guards were Laverne Moore and Frank Petrucci.

Sequoia Leaders Discuss Tests

Supt. Clyde Ogden, Principal Thor Krogh, counselors and heads of departments of Sequoia High School met last weekend at the home of Mr. and Mrs. James D. Maris, Klayton Dr., Menlo Park, to discuss the partial results of the recent Iowa Tests of Educational Development taken by the 2800 students at the high school.

Those who attended included: Miss Doris Dean, dean of girls; Oliver Eitzen, director of the Iowa Test program, Mrs. Anna L. Bigler, John P. Dusel, Richard Bissell, Donald L. Cherry, Mary A. Cowden, Lucille Winter, Althea Truitt, Francis Hutchinson, Ed Spence, Carl Underwood, Vera Jansen, John Peck, Ivan Griffin, Scoville Mayo, Willard Bradley, Larry Sanderson, Mrs. Helen Sevier, Robert Poole, Norman Walsh and Fred Blase.

Operator Arrested As 'Wires Cross'

A 40-year-old San Francisco telephone operator who "got her wires crossed" was free on $250 bail this week after her arrest by San Carlos police on a charge of reckless and drunken driving early Sunday.

Officers reported seeing an automobile driven by Margaret Cannell traveling south on the wrong side of El Camino Real about 3:25 a.m.

Kaufman Resigns High School Post

Donald L. Kaufman, head of the Sequoia High School mathematics department, has resigned as chairman, but announced he will continue as a teacher at the school.

Kaufman gave as his reason that he had too much regular work with his classes, according to Principal Thor Krogh.

Krogh announced that the resignation became effective today. In place of Kaufman, the principal appointed Mrs. Anna Bigler to head a new consolidation of mathematics and science departments.

The new setup, Krogh said, is part of a program designed to integrate allied courses under a single leader. Heading the mathematics committee, within the new science-mathematics group, will be Norman Walsh.

Krogh pointed out that the new setup is designed to obtain greater cooperation between the two departments, whose work is related particularly in the field of physics and chemistry.

A similar situation is planned for the English and language departments within the coming months, Krogh said, to facilitate establishment of common goals between the two groups of teachers.

RC Woman Dies At Age of 95

Alice Erskine, 95-year-old Redwood City resident for the past 10 years and regarded as one of the city's oldest citizens, died in a San Mateo hospital Sunday after a brief illness.

A native of Bigham, Mass., Mrs. Erskine was the wife of the late Forest Erskine and the mother of Mrs. Gladys Girard of 240 Arbor Rd., Menlo Park. A grandson, Erskine Girard, also survives.

Cab Company Here Gets 2-Way Radios

Two-way radios were installed today in Luxor Cabs of Redwood City, according to Saul Cahn, operator.

Three taxis were equipped, and a fourth radio will be obtained soon. The two-way communication system is part of a plan to provide Redwood City with better service, Cahn said.

173 Persons Pay Tribute To Collins

Clement Lawrence Collins said "thank you" this week.

The big Irish cop listened for a couple of hours Monday night while his contemporaries, colleagues, friends and admirers told him how much they liked him; how grateful they were for Mickey Collins' long term as Redwood City's chief of police.

And Mickey Collins had the appropriate answer. To the 173 members of the unofficial Mickey Collins Club who asembled for his testimonial dinner at Bondy's he said:

"It's ben a pleasure to work with you for 36 years in the police business. And it's a pleasure to listen to the good things now. It's better now than when you're smelling the roses."

The good things were said over and over again, and after they were said Chief Collins received from his assembled friends a console television set and an electric refrigerator. A check will come along later.

Among the proudest onlookers were 12-year-old Carmel Anne Collins, the chief's granddaughter, and her father, Clement F. Collins of San Francisco. C. W. Thomas of San Francisco, friend of Mickey Collins' for 40 years, also was present.

Chief Dep. Sheriff Walter Moore told the history of the Collins gathering. He said his San Francisco Police Dept. friends were astounded that Redwood City had not given a testimonial dinner to its retiring chief. Moore put it up to James P. Hearne and the merchants, and it was accomplished.

"This gathering is the work of Jimmy Hearne," Moore testified.

Hearne rose to the occasion as master of ceremonies. The name of Collins is indelibly etched in the history of Redwood City, he said. Collins came to us "a son of fertile American soil, a son of nature, the very salt of the earth."

One of the most typical comments came from Justice of the Peace Edward McAuliffe, who rose to his present position from the ranks of the city police force.

"Chief Collins was a capable chief, a kind boss, a good friend," he said.

The testimonials started with a parade of Redwood City's ex-mayors: George McNulty, Henry Beeger, Paul McCarthy, Louis Christensen, Harold F. Anderson, Walter W. Hilton, Floyd D. Granger.

Then came George Reilly, member of the State Board of Equalization, who asked Collins' aid in finding the piece of blarney stone reported missing from San Francisco.

The county authorities then gave their bits of praise to the Redwood City chief: County Executive Frederick Peterson, Superior Judge Edmund Scott, School Supt. Pansy J. Abbott, Dist. Atty. Louis B. Dematteis, Treas. A. H. Sagehorn, Engineer M. A. Grant, Controller Fred E. Beer, former Dist. Atty. Gilbert D. Ferrell ("let's make Mickey Collins chief emeritus of Redwood City"), Purchasing Agent Bradlee Smith.

Sheriff James J. McGrath introduced the visiting policemen: Chief Ed Wheeler of San Carlos, Chief Robert O'Brien of San Mateo, Chief Walter Lindholm of Belmont, Chief William Maher of San Bruno, Inspectors James Johnson, Jack Ross, John Curtin and Michael O'Mahoney of the San Francisco burglary detail, and J. Ed Farrell, recently retired chief of Atherton ("Mickey and I are down the road together.")

City Judge W. H. Thorpe, another attorney who came through the ranks of the Redwood City Police Dept., added praises for his former boss.

Postmaster Robert O'Connell spoke briefly.

52 Windows Broken in SC

San Carlos police this week were seeking the identity of vandals who smashed 52 windows in the city's recreation center sometime over the weekend.

While the police sought additional clues, city recreation leaders were at a loss to explain the sudden outburst of ingratitude.

Recreation Cmsr. Warren Hayden, still shocked by the destruction result of hoodlums, said the city "has set up a nice recreational program throughout the Summer and Fall, but this looks like sabotage."

He was joined by Police Chief Edward Wheeler, who said "Whoever did it certainly is ungrateful for the things the city has tried to do. After all the money we've paid in taxes to support the program it's a shame that the work has been spoiled by a few vandals."

The broken windows were discovered by Lloyd Rinck, 967 Cherry St., a member of the city's recreation staff.

Rinck reported the damage to police yesterday morning. His report said 12 panes in the main recreation building were shattered and 40 in a lavatory and storage building nearby.

200 to Attend SC Service Dinner

More than 200 persons are expected to attend the first annual joint service club dinner meeting sponsored by the San Carlos Rotary Club, 7 p.m. Monday, Nov. 14, at the Belmont Casino.

Members and wives from American Legion Post 585, San Carlos Veterans of Foreign Wars, Belmont-San Carlos Soroptimists, San Carlos Chamber of Commerce, Kiwanis Club, Lions Club, Rotary Club, Business and Professional Women's Club and 20-30 Club will attend.

Dean Borba will act as master of ceremonies. Mayor and Mrs. Edward R. Burton of San Carlos, and Mayor and Mrs. Bayley Kohlmeier of Belmont will be guests of honor.

The dinner is a result of a recent meeting between the Civic Affairs Committee of the San Carlos Chamber of Commerce and service club representatives to coordinate civic programs. Subjects discussed included recreation park lighting, 'teen-age dances and a San Carlos recreation building. Randall G. Cathcart, Rotary Club president, is chairman of this committee.

No Pro Shows At Iceland: Gill

With the announcement this week that the half-way mark was being neared in the current campaign effort to raise funds to construct a Peninsula ice rink in San Carlos, William H. Gill, rink campaign director and San Mateo High School teacher, emphasized that the proposed ice skating development would not be used either by professional ice shows or ice hockey.

Gill pointed out that the Peninsula Iceland project is patterned after the successful Berkeley ice rink which has never catered to ice skating professionals other than those used to coach youngsters.

Lenolt, Friendly Acres Street Projects Get Council Okeh

Redwood City councilmen this week gave their approval to two major city street improvement projects when they moved to call for bids on the Lenolt project and ordered the city engineer to prepare plans and specifications for street improvement work in Friendly Acres.

The move to start work in Lenolt came, however, after councilmen warned residents of the area that "Winter time was coming and they didn't want any complaints about anybody being stuck in the mud."

Councilman Floyd Granger, acting as mayor in the absence of Mayor William Werder, said, "if we start improvements now, we don't want to hear about it again."

Councilmen said they didn't want a repetition of the Hudson St. project where the streets became impassable in Winter weather due to street work being undertaken in the area.

A large contingent of Lenolt residents were at the meeting but the vote on whether to start the project was almost 50-50. Asked for a show of hands on those who wanted to start the project immediately, nine said they wished to start work immediately, and eight said they wanted to delay the action. A number of the residents, however, did not enter into the discussion.

Some residents expressed the belief that street work in the area "couldn't make things any worse" and urged the councilmen to go ahead with the matter.

The matter of the improvement to the Friendly Acres area was vigorously protested by two residents of the Eighth Ave. area who declared the petition for improvements was "invalid and out of date."

City Engineer Glenn M. Jain had recommended to the council that they authorize him to start working on plans. He said the latest petition for improvements in the area showed 55 per cent of the property owners had indicated they wished the work undertaken.

The engineer added that the council normally asks a 60 per cent representation but that he recommended that the work go ahead.

Councilmen approved Jain's recommendation and ordered him to start the specifications. Plan work probably will be "farmed out" to some other organization, Jain indicated.

The city's proposed peddlers' license ordinance,, "H" district parking provision and subdivision ordinance, long under discussion by councilmen, passed their initial introduction before the council. The auction sale proposal, however, was tabled until the next meeting, because, according to City Atty. Cuthbert Currie, certain propositions of the proposed ordinance were included in an existing ordinance.

Auction sale fees also still have to be set before councilmen can act on the matter.

Councilmen moved to reject all bids on the plan calling for fill material at the animal shelter site. The Sanders Construction Co. had been declared the low bidder on the project but the bid was not signed. After an argument over the legality of the bid councilmen moved to reject the bids and call for new ones.

In regard to fire hydrants in the Friendly Acres area, City Mgr. E. A. Rolison told councilmen work was continuing and that eight fire hydrants would be placed in the area and that there were 20 more hydrants available. He said, however, that lack of fire hydrant water valves was holding up the work.

Contractor Peter Sorensen, who had entered a bid on the project, declared the bid was not a true bid if it was not signed but councilmen decided to reopen the matter.

NOT MUCH LEFT — Near the site of San Mateo County's first Catholic Church (St. Dennis') is this abandoned, desecrated cemetery (above) —now a Stanford co. pasture. Not a single monument remains, although in this ground were buried some of the county's most illustrious pioneers. Among them, Dennis Martin, who gave the ground to the church. Ralph Shaw, county recreation director, who recalls stealing apples from the old orchard nearby as a child, inspects the base of a stolen tombstone at the head of one of the forgotten graves. Left: Of all the tombstones which once marked graves in this cemetery, only two remain.

SUPER MARKET PLANNED HERE—This is the architect's sketch of the proposed $500,000 food market which is scheduled to be built on Broadway at Spring St., where the former County Juvenile Home stood for more than half a century. This project, being undertaken by Mike and Bill Bouskos, will be known as the Bouskos Bros. Market. The brothers have operated similar enterprises in San Francisco, and decided recently to build in Redwood City, after giving up a similar scheme in Millbrae. The pair explains that they hope that the Redwood City facility will be the largest in Northern California and will employ between 60 and 75 persons. The details of the transaction for purchase of the property were handled by the Land Development Co.

Labor Hails Election Result, Republicans Not Too Sure

By the Associated Press

Labor organizations joined Democrats today in praising Tuesday's election results as a major victory for President Truman's program.

But Republicans, who lost important campaigns in New York State and elsewhere, disagreed on the significance of their setback.

Both the CIO Political Action Committee and the AFL's political organization issued statements calling the Tuesday balloting a clear sign that the nation's voters haven't changed their minds about Mr. Truman's proposals since electing him President in 1948.

A top Republican, Harold E. Stassen, also recalled last year. The results of this week's elections, he said, "reemphasize the very serious nature of our defeat in 1948."

But New York's Gov. Thomas E. Dewey, Mr. Truman's GOP opponent in 1948, saw things in a different light. Dewey backed the losing candidate in the New York Senate election which saw former Democratic Gov. Herbert H. Lehman defeat Sen. John Foster Dulles.

"The result of the senatorial election," said Dewey, "is a setback and not a gain for the policies of the national administration, since Senator Dulles ran well ahead of local tickets all over the state."

Stassen, in his talk at a National Press Club luncheon in Washington yesterday, put in a plug for Senator Taft (R., Ohio), his opponent for the 1948 GOP presidential nomination which finally went to Dewey.

The election Tuesday had raised speculation that victorious Mayor Thomas A. Burke of Cleveland, a Democrat, might be built up to oppose Taft in the congressional campaigns next year.

Stassen said he is a great friend of Taft, despite their differences on some issues, and will do all he can to help reelect the Ohioan.

Friends of Burke intimated that he isn't anxious to campaign against Taft, anyhow.

Stassen said the Republican party must "rebuild."

This should be accomplished, he added, not by throwing anyone out of the party, but rather by urging the older members to "move over and make room" for younger people.

Labor-backed candidates—including Burke—won in most of the main contests Tuesday. But they lost in some of the city races and some of the winners had the supply of only one of the two big organizations, the CIO or AFL.

HOTPOINT'S Sensational NEW Automatic DISHWASHER

with FRONT opening and ELECTRIC drying!

EASY TERMS 11.50 per month

Now you can banish dishpan drudgery . . . save seven hours a week . . . for only four cents extra a day! Come in and see how the amazing new Hotpoint AUTOMATICALLY washes dishes hygienically clean and dries them electrically. All you do is load racks which are specially designed to prevent breakage, add detergent and turn the dial. Average dish-handling time is cut to seven minutes!

Quick—Easy—Clean—Safe! Dishes are double washed, double rinsed and dried electrically. Self-cleaning, Hotpoint Dishwashers even turn themselves off. Convenient front-opening feature eases loading, provides permanent top work surface and permits Hotpoint's effective top-spray action. Come in for a free demonstration.

"IT'S THE TOTAL YOU SAVE THAT COUNTS"

SAVE OVER 40%

With our Card Plan on

HOUSEHOLD INSTITUTE Waterless Cookware

Aluminum

WE'LL GIVE YOU A CARD
Get it Today!

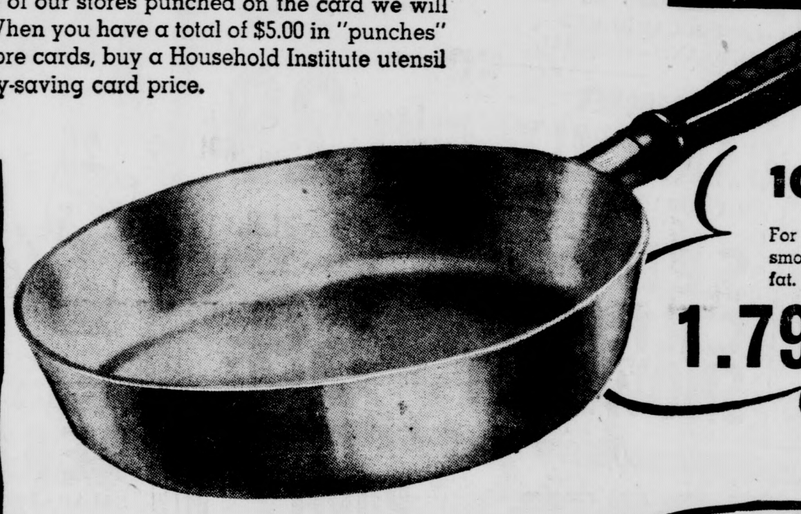
HERE'S WHAT YOU GET: Top quality, thick cast aluminum utensils—with broad, flat bottoms that pick up heat quickly and distribute it evenly all over the pan and its contents; covers that keep steam and moisture inside the pan, and baste the juices back into the food; and insulated handles that stay cool when used top of stove, and are easily removed for use in oven or replacement. A lifetime investment at a bargain price.

HERE'S HOW YOU SAVE OVER 40%: Have the amount of every grocery, meat, and produce purchase you make in one of our stores punched on the card we will give you. When you have a total of $5.00 in "punches" on one or more cards, buy a Household Institute utensil at our money-saving card price.

2-QT. COVERED SAUCE PAN

For "waterless" cooking of fresh fruits and vegetables—to preserve flavors, colors, vitamins, minerals. For all usual sauce pan purposes too, of course! Complete with cover.

2.39 WITH CARD
PRICE WITHOUT CARD 3.99



10-INCH FRY PAN

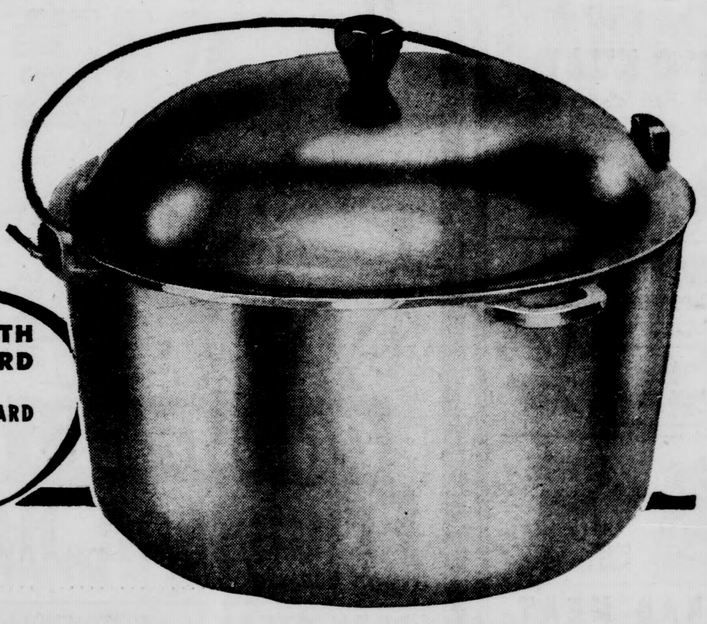
For quick, uniform browning. No sticking or smoking if used as directed. Saves on frying fat.

1.79 WITH CARD PRICE WITHOUT CARD 2.99

3-QT. COVERED SAUCE PAN

For larger quantities, larger sizes, or bulkier vegetables and fruits cooked the flavor-saving, work-saving "waterless" way. No basting, little stirring or other attention necessary! Complete with cover.

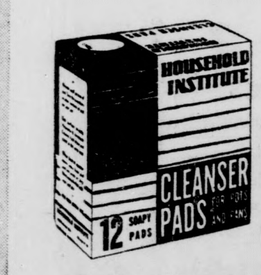
2.69 WITH CARD
PRICE WITHOUT CARD 4.49



6-QT. DUTCH OVEN

For all-around utility—including soups, preserves, jelly, and top-of-stove roasting. Holds up to 8 lbs. solid meat. Cover fits fry pan, converts it to Chicken Fryer.

4.79 WITH CARD
PRICE WITHOUT CARD 7.99



TRY THIS!

It's Easy to Clean Aluminum with these Soap-Filled Pads

4-QT. COVERED SAUCE PAN

In "waterless" cooking, the pan size should fit the quantity of food. This size is for larger quantities only. Complete with cover.

Iran Ready to Ask U.S. Aid To Strengthen Military Force

WASHINGTON (AP)—Iran's 30-year-old ruler is expected to press for stronger military backing from the United States on his forthcoming state visit to America.

American officials said today the subject is almost certain to arise in talks President Truman and Secretary of State Acheson will have with Mahammad Reza Shas Pahlavi. The shah is to arrive next Wednesday.

With the arms and other assistance already extended, the United States has made plain its interest in strengthening Iran, both in a military and economic way. Like Turkey, the country is squarely in the path of any Soviet Russian attempt to expand southward.

Officials indicated the shah and his advisers will get a sympathetic hearing, but there has been no hint of anything else.

Iran has a share in the new $1,314,000,000 military assistance program for Western European and other non-Communist nations. Of this $27,640,000 is earmarked for military assistance for Iran, the Philippines and Korea.

Two American advisory missions have been on the scene in Iran for the last five years, advising the 115,000-man army and the smaller force of gendarmes. Iran also has been supplied with substantial quantities of American war surplus equipment.

Iranian officials contend that despite its small army Iran in an emergency might be potentially as useful as Turkey, to which the United States has given substantially greater military support. It has a population of 17,000,000, nearly as large as Turkey's, and is immensely rich in oil resources.

The shah also is expected to be preoccupied with Iran's new seven-year $650,000,000 enterprise to raise the country's living standards. Oil royalties are expected to pay for the bulk of the cost, but there may be requests for loans from the World Bank and the American Export-Import Bank.

The shah will travel from Tehran in Mr. Truman's plane, the Independence. His visit is similar in many respects to that recently concluded by Prime Minister Nehru of India.

Like Nehru, the shah has never visited the United States. His plans call for a 23-day transcontinental tour, on which he will devote considerable time to American industries and to irrigation projects in the Southwest.

PUBLIC NOTICE

Notice of Public Hearing On Ordinance

PUBLIC NOTICE IS HEREBY GIVEN THAT THE ORDINANCE HEREINAFTER SET FORTH WAS DULY INTRODUCED BY THE COUNCIL OF THE CITY OF REDWOOD CITY ON THE 7TH DAY OF NOVEMBER, 1949, AND WILL COME UP BEFORE SAID COUNCIL IN THE CITY HALL ON MIDDLEFIELD ROAD ON THE 21ST DAY OF NOVEMBER, 1949, AT THE HOUR OF 8:00 O'CLOCK P. M.

ANY PERSON INTERESTED AND THE GENERAL PUBLIC WILL BE HEARD BY SAID COUNCIL AT SAID TIME AND PLACE IN RELATION TO THE ADOPTION OF SAID ORDINANCE.

ORDINANCE NO. _____

AN ORDINANCE AMENDING ORDINANCE NO. 624, "AMUSEMENT LICENSE ORDINANCE."

The Council of Redwood City do ordain as follows:

SECTION 1: Ordinance No. 624 of the City of Redwood City, adopted on October 3, 1949, is hereby amended as follows:

(a) Sections 7 and 10 (b) thereof are hereby deleted therefrom in their entirety.

(b) A new Section 15 is added thereto to read as follows:

SECTION 15: This ordinance shall be effective from and after January 1, 1950. The license fees payable hereunder for the period from January 1, 1950 to July 1, 1950 shall be a sum equal to one-half (½) the license fees payable under Section 8 hereof. From and after July 1, 1950, license fees shall be payable in accordance with Sections 8 and 9 hereof.

The above and foregoing ordinance was duly introduced by the Council of the City of Redwood City on the 7th day of November, 1949, and a public hearing thereon will be held on the 21st day of November, 1949, at 8:00 o'clock p.m. at the Council Chamber in the City Hall in said City, or on such other date, if any, to which the matter may be postponed.

RALPH S. DODGE,
Clerk of the City of
Redwood City.

Nov. 10, 1949.

SUMMONS—No. 49201, Dept. No. 2

IN THE SUPERIOR COURT OF the State of California, in and for the County of San Mateo.

Helen May Smith, also known as Mae Bents, Plaintiff, vs. Henry L. Bents, Defendant.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

The People of the State of California Send Greetings to:

HENRY L. BENTS, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said County, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 23rd day of July, A. D. 1949.

(SEAL) W. H. Augustus, Clerk; by Gertrude V. Hovig, Deputy Clerk.

Hardy, Carley & Brenner, 545 Bryant St., Palo Alto, Calif., Attorneys for Plaintiff.

Nov. 3, 10, 17, 24; Dec. 1, 8, 15, 22, 29, 1949; Jan. 5, 1950.

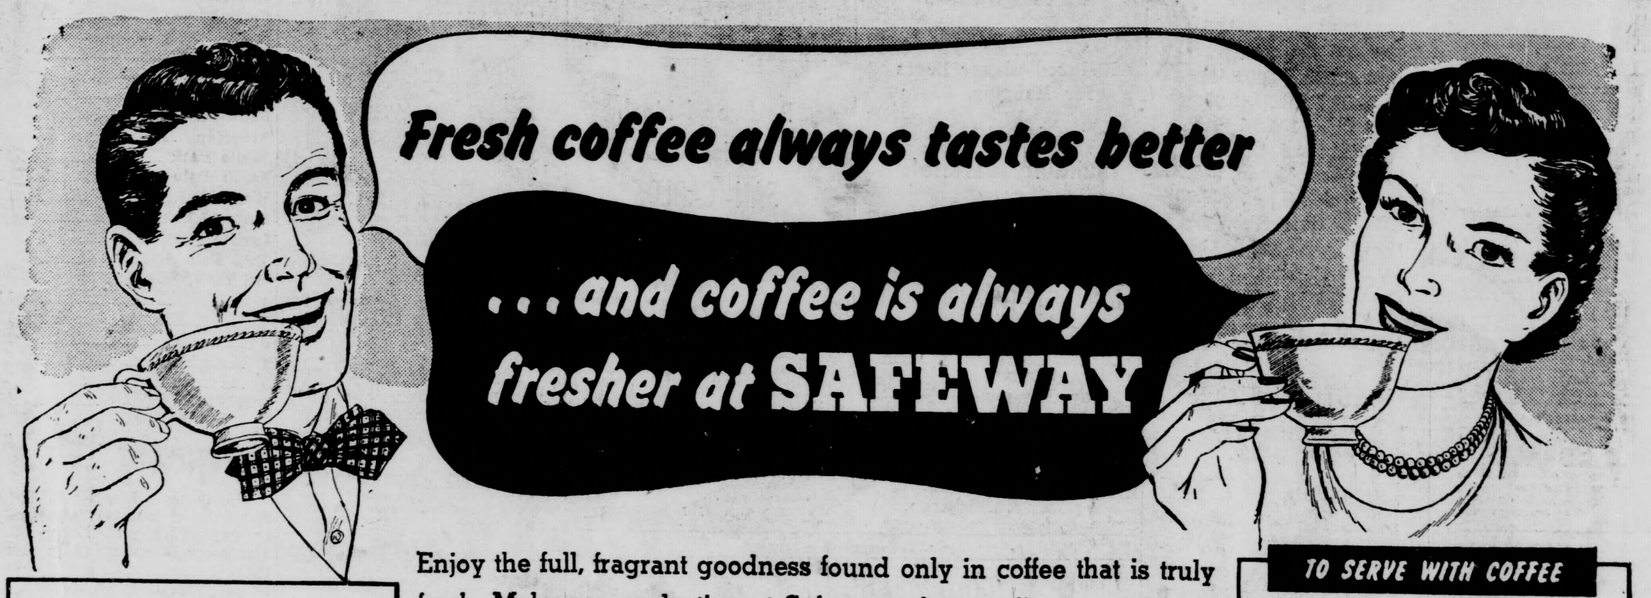
President Quirino Leads by 170,000 in Bloody Philippines Election; 26 Dead, 40 Wounded

MANILA (AP) — Tension was high in the Philippines today as Pres. Elpidio Quirino moved to a 170,000 vote lead over two opponents in returns still trickling in from Tuesday's election.

The army and national police heads assured Quirino full security measures were being taken to forestall post-election violence. Already 26 have been killed and 40 wounded in election strife.

Court fights over the election results appeared amlost certain.

Some observers felt some delay in official returns might have been the result of the Philippine habit of waiting to see how the other fellow was making out before turning loose all of the election totals. That was the pattern in the 1946 election.



Enjoy the full, fragrant goodness found only in coffee that is truly fresh. Make your selection at Safeway where coffees are always guaranteed fresh!

FOR EXAMPLE: If you like a mild and mellow flavored coffee you'll like our Airway brand. It comes in one and three pound bags and you can have it ground as you like it when you buy. Another excellent buy in coffee at Safeway is our own Nob Hill brand . . . it's a rich blend that really satisfies. It comes in whole-bean form and it's ground the way you like it best when you buy. You can save from 5c to 10c per pound when you buy these whole-bean coffees, too!

Sequoia Men's Shop Expansion Planned

The Sequoia Men's and Boys' Store, 2625 Broadway, is currently expanding and remodeling. The store is enlarging to more than three times its present size by addition of space in back of the store, which formerly housed Weltner's Body Shop.

Improved fluorescent light fixtures will be used, making the "finest and latest in lighting," according to Edward Kaufman, who has operated the store for more than 10 years.

Store area will be increased from 1750 to 5000 square feet by the enlargement. Work will cost an estimated $40,000 and is expected to be completed by February. Contractor is Emil Steinegger of Redwood City.

The store carries nationally advertised brands of all types of men's and boys' clothing, specialized in sportswear. Clothes for the 5-year-old to the 105-year-old are carried, Kaufman said.

Kaufman has lived in Redwood City since 1932. For 15 years he was buyer for the men's department at Hale's Dept. Store in San Francisco. He is married and has a son, Barry, who is a Sequoia High School student. The Kaufmans live at 61 Myrtle St.

Barbecued Steaks Bring Out Firemen

San Carlos firemen's faces were as red as the trucks they rolled up in this week, when a call to the home of Earl Moore proved to be far from destructive.

Moore, who lives at 1051 Riverton Ave. near Old County Rd., was busy in the backyard when the call from a worried neighbor came in.

Firemen arrived prepared to do battle, but instead found Moore barbecuing five steaks on a portable unit.

Smoke from the charcoal appeared to be coming from under the eaves of a garage on the property, firemen hastily explained before heading back to the station.

RC Woman Injured In SM Bridge Mishap

A car which spun out of control, ripped through a guard rail and turned over near San Mateo Bridge yesterday brought only minor injuries to Mrs. Jerome Mahoney, 37, 2919 Hopkins St., Redwood City.

RC Woman Claims Assault by Relative

A Redwood City woman today accused her brother-in-law of assault and battery after an altercation Sunday night at a Redwood City cafe, police said today.

According to the complaint, Nina Beckerdite charged Bonnie Beckerdite, 55, 3004 Jefferson Ave., the cafe owner, with assault and battery after he allegedly blacked her eye during a family argument.

Beckerdite was released Tuesday on $250 cash bail, police said.

How To Relieve Bronchitis

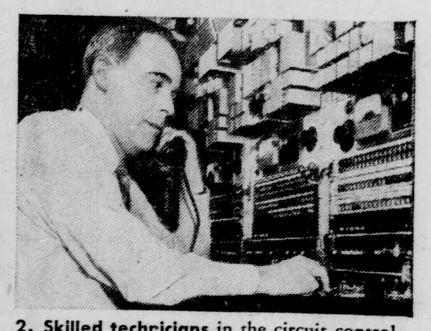
Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

Your voice can reach some 85 countries as easily as a nearby town. The low rates may surprise you.

"Calling Tokyo...4250"

How overseas service puts the world by your telephone



1. For doing business and keeping in touch with friends, overseas telephone service has become an everyday tool. In its twenty-two years, the calling rate has jumped from about 2,300 calls a year to 600,000. Today, your voice can be sent over short-wave radio to ninety-four per cent of the world's telephones ...over circuits as long as 8,000 miles.

2. Skilled technicians in the circuit control room keep constant watch on their equipment to make sure your voice can hurdle the earth and still sound about as clear as a cross-town call. And overseas service is easy to use. Your Long Distance operator will give you the rates, the best time to call... and set up an appointment call for you if you wish.

3. In 1927, the lowest overseas rate from the West was $84.00. Now the maximum to most countries is $12.00 (plus tax) for three minutes. Many calls cost less. Making it possible to call almost anyone, at low cost, is another way we've made your telephone more valuable.
